Hello Kate,
You have been notified as an expert witness on the trial of CW v. [REDACTED] on 7/26/10 for your testing of the Class B substances in this case; would you please send your CV to me at the below fax number at your earliest convenience? I spoke with the Defense Attorney today, and he stated that he would in fact require your presence at the trial and would not stipulate that the substance was cocaine, so I am afraid we will have to have you come in on that Monday.

Thank you, and I'll look forward to receiving your CV.
